 - iv. **Understanding The Times:** Jan Markell interviews Dr. James De Young, John Balch the first ½ hour to discuss life after the Rapture for those left behind. There are books and tools that can be used as 'survival guides' for them. Then Todd Hampson and Jan talk about the book of Daniel—more important today than ever as it foretells our events happening NOW. Additional topics discussed include:
 - a. How to share with those who dismiss Jesus & the Rapture (1 Thess 4:16-18, Luke 17:34-37, etc)
 - b. How Daniel clearly predicts the events happening with Israel today & what is to come

- II. **Before we begin our study on Revelation, we're going to study "What is Eschatology?"**
- a. Based on "7 Myths of Eschatology" by Dr. Chuck Missler (<http://tinyurl.com/32bcz9ad>)
 - b. Why? To understand why the majority of Churches feel eschatology promotes 'divisiveness' ... & therefore don't study it
 - c. Why? To see how the prophetic portions of the Bible (~27%) actually promotes the UNITY OF THE FULL GOSPEL
 - d. Why? To equip you to better show people how the differences are mostly not as great as they might think (with the exception of Preterilism and amillennialism)
 - e. Why? To let you have a firm foundation to build on (be a Berean)
