China Plans Yuan Pool To Counter Dollar's Reserve Currency Status

China's central bank has signed an agreement with Switzerland based Bank for International Settlements to establish a yuan pooling scheme

Currencies And Forex | Press Trust of India | Updated: June 28, 2022 12:37 pm IST

China plans to set up a Yuan pooling scheme to counter dollar's dominance

Beijing: China's central bank has signed an agreement with Switzerland based Bank for International Settlements (BIS) as part of Beijing's plans to establish a yuan pooling scheme starting with Indonesia, Malaysia, Hong Kong, Singapore and Chile to counter the dominance of the US dollar.

The arrangement aims to provide liquidity support for participating central banks during future periods of market volatility by creating a reserve pool, the People's Bank of China (PBOC), which signed the agreement with BIS last Saturday, said.

The establishment of the arrangement is conducive to meeting the reasonable international demand for the renminbi, and will make positive contributions to the enhancement of the regional financial safety net, the apex bank said.

The arrangement initially includes central banks in Asia and the Pacific, including Bank Indonesia, the Central Bank of Malaysia, the Hong Kong Monetary Authority, the Monetary Authority of Singapore and the Central Bank of Chile, the PBOC said.

The plan comes amid heightened worry in Beijing about the US dollar dominance and search by the global investors for safe harbors as the US embarked on monetary normalization to tame high inflation, the Hong

News of the Week: Food shortage looming in Europe?

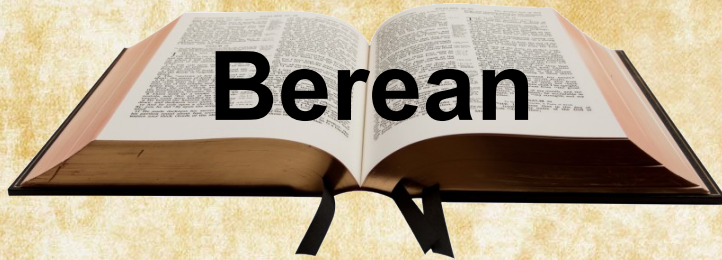

Western Europe on suicide watch as food, energy collapse looks even worse

Western Europe is on suicide watch as virtue signaling nations tore down their fossil fuel infrastructure (and nuclear power plants) to appease the "greenies." Now, countries like Germany, France and the UK are facing an energy catastrophe as Russia steadily reduces natural gas outflows from pipelines like Nord Stream 1, which is also scheduled to be taken offline in just five days for "routine maintenance."

Many European nations are worried that Nord Stream won't be turned back on, believing Russia will find an excuse to keep the pipeline offline for an extended period of time. This would be catastrophic for nations like Germany, which depend heavily on Russian gas to generate electricity and power domestic industry.

From our story today: "This step is a complete disaster for the European Union. It is basically signing a death warrant for all European economies."

Why I chose Sunrun ... BUT YOU NEED TO MAKE YOUR OWN CHOICE!!!

- **3 Primary “Financial Models” for solar companies:**
 - 1. Purchase via loan, mechanics lien or payment
(for my system with 11 panels & Battery back-up: \$53,000)**
 - 2. Lease / Power Purchase Agreement (Sunrun replaces PG&E)
(for same system as above = \$164/month including power)**
 - 3. Pre-Pay for system (for me, that would be \$42,250)**

Why I chose Sunrun ... BUT YOU NEED TO MAKE YOUR OWN CHOICE!!!

- **25 Year material Warranty (all maintained by Sunrun)**
 1. 25 years for panels (typical life 30 yrs)
 2. inverter (typical life 10 yrs @ \$1.5K current replacement cost)
 3. battery (typical life 10 yrs @ \$12K-\$15K current replacement cost)
- **Sunrun Energy Cost: \$0.19/KWh vs. PG&E Energy: \$0.32-\$0.49/KWh**
- **No new loan for equipment & no lien on property**
- **No incumbrances if we sell or move... benefit to new owner**
- **Must have good credit (750 or higher) to qualify for program**

DO YOUR OWN RESEARCH, but if you decide to go with Sunrun ...

- Sunrun rep (Brandon Sliman) said he will grant everyone the lowest possible 'per Kilowatt Hour" power price (they have 4 rates), but you need to mention the Berean class
- IF the class is interested, I can arrange a 10-15 minute Q&A video chat, but this is a SUNDAY SCHOOL CLASS and our focus needs to be on the SON, not the sun

A STUDY IN THE BOOK OF
REVELATION

Revelation Revealed

Heaven and Hell

Revelation 15:1-8

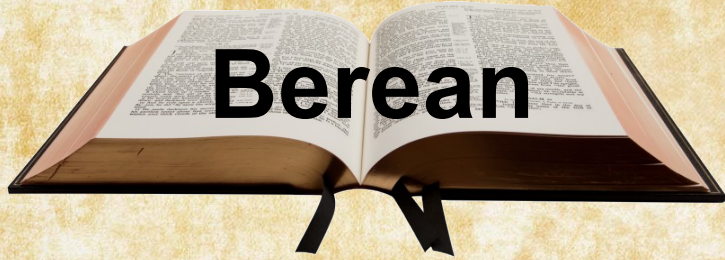

Revelation 15:1-3

A Scene of Heaven

15 Then I saw another sign in heaven, great and marvelous, seven angels who had seven plagues, *which are* the last, because in them the wrath of God is finished.

2 And I saw something like a sea of glass mixed with fire, and those who had been victorious ^[a]over the beast and his image and the number of his name, standing on the sea of glass, holding harps of God. **3** And they sang the song of Moses, the bond-servant of God, and the song of the Lamb, saying,

Revelation 15:3-4

“Great and marvelous are Your works,
O Lord God, the Almighty;
Righteous and true are Your ways,
King of the nations!

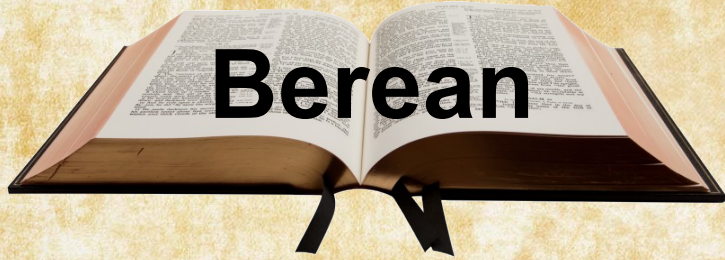

⁴ “Who will not fear, O Lord, and glorify Your name?

For You alone are holy;

For ALL THE NATIONS WILL COME AND WORSHIP

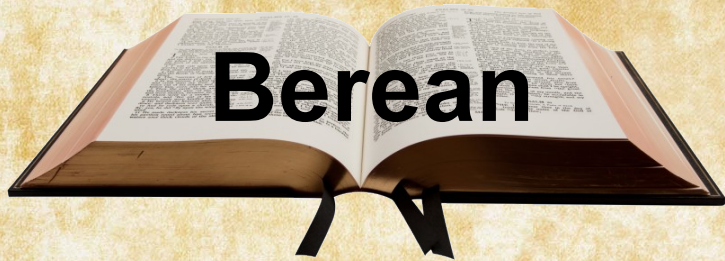

BEFORE YOU,

FOR YOUR RIGHTEOUS ACTS HAVE BEEN REVEALED.”

Revelation 15:5-8

⁵ After these things I looked, and the temple of the tabernacle of testimony in heaven was opened, ⁶ and the seven angels who had the seven plagues came out of the temple, clothed in linen, clean *and* bright, and girded around their chests with golden sashes. ⁷ Then one of the four living creatures gave to the seven angels seven golden bowls full of the wrath of God, who lives forever and ever. ⁸ And the temple was filled with smoke from the glory of God and from His power; and no one was able to enter the temple until the seven plagues of the seven angels were finished.

Revelation 15

Chuck Missler discusses:

- the 'sea of glass mingled with fire'
- the decline of the fear of God within our culture ... even among believers
- the fact that "the temple" is mentioned 15 times in Revelation, but never until Chapter 4, after the Church is in heaven
