 "If you are taking these supplies, you may be wondering where my wife and I are. As fantastic as it may sound, we're home with Jesus. As you take these supplies and food, please be sure to take this and the other Bibles as well. **They are the most important supplies in this closet!** Please pay attention to the last book in the Bible as it lays out what is coming... it's **NOT** science fiction. Pay particular attention to Revelation 13:16-17 and Revelation 14:9-13.
 We pray you too accept Jesus Christ as your personal Lord and Savior. The instruction book is in your hand. This isn't a joke, and will be the most important decision you can ever make. The next few years won't be easy, but remember, fear God, not man; accept Jesus, not the world's solution."
