- c. Review of Last Week’s Comments...
  1. **Eschatology is** \_\_\_\_\_
  2. From the Greek word eschatos, meaning “**last in time or in place**”
  3. How we view Eschatology has a direct impact on how we look at current events (Vaccine mandates, Afghanistan), how we live our lives (witnessing), & what we invest our time in (this class & church)
  4. Proper **Hermeneutics** is a must (hermeneutics is “\_\_\_\_\_”)
  5. **Context, Context, Context** (“*Text without context is pretext*”)
  6. Prophecy is meant to \_\_\_\_\_ us, not \_\_\_\_\_ us  
... the world isn’t falling apart, the pieces are falling together
  7. Eschatology not only limited to Revelation. Major eschatological books include Daniel, Ezekiel, Isaiah, all four Gospels, 1 & 2 Thessalonians & Revelation
  8. The Bible is over 25% prophecy
    - 1,845 OT references to Christ’s RETURN (17 OT Books)
    - 318 NT references to Christ’s RETURN (216 chp. in 23 books)
