Israel is the burdensome stone to the world and church. There will be a clamoring for a peace treaty. Additional topics discussed include:

- xiii. **Does Psalm 83 refer to a specific war? Is THIS the war Psalm 83 refers to?**
 - a. Points to consider when you hear anyone ascribe a scripture or passage to a particular event:
 - b. Is the event & scripture linked historically (Isaiah 66:8)
 - c. Is the event & scripture unique? Can it only be attributed to 1 particular event? (i.e. Isaiah 17:1)
 - d. Is someone claiming special (unique) prophetic interpretation of an event? ... this is a major RED FLAG!
 - e. I'm not saying Psalm 83 is or is not referring to this particular war. Whether it is or not, *THE BIBLE IS PROPHETICALLY & HISTORICALLY 100% ACCURATE!*
- xiv. **A well-balanced response**
