iii. **Understanding The Times:** Jan Markell interviews Mike Gendron regarding the push by many evangelicals to unite with the Roman Catholic Church. Is this not the woman who rides the Beast in Revelation? Knowing the things Pope Francis believes, why is he even celebrated in Rome and around the world? The stage is being set for the one-world religion. Additional topics discussed include:

- a. What is the Manhattan Declaration and why have some prominent evangelicals signed it
- b. Is Catholicism the foundation for a One World Religion?
- c. What about prophecies & visions of Mary?

II. **How do these 2023 Developments Fit Biblical Prophecy**

- a. **The Iranian/Russian/Turkish/North Korean Alliance**
(Ezekiel 38 & 39)
- b. **The US Funding of the Ukrainian/Russian "Special Military Operation":**
Could this weaken our ability to defend our national interests or borders?
- c. **Challenges from State AGs on Trump's eligibility to be on Primary Ballots**
(Could this further erode our Constitutional Freedoms & further divide us?)
- d. **China's statements regarding Taiwan & their rising military presence**
While Rev 16:12-16 is the most overt reference to 'Kings from the East', the actual Greek words are ἀνατολῆς ἡλίου ("anatolḗ hēlios") or "rising sun" indicating a region east of the Euphrates. So it could be China or another Kingdom East of the Euphrates.
 - i. Interesting commentary on consequences if China invaded: <http://tinyurl.com/2fxa9ebf>
- e. **Iran's Nuclear Developments / US payments allowing Iran to further their 'Nuclear Program'**
Ezekiel 39:11-16
- f. **Hamas' Attack on Israel & Israel's REQUIRED response to eliminate threat**
Is this what turns World Opinion & even their allies against Israel?
- g. **Biden's Executive Order 14067, (officially titled "Ensuring Responsible Development of Digital Assets")**
This could alter our monetary system for control of our spending in ways we can't imagine. Is a CBDC rolled out as a protection against a financial cyber-attack, or as a way to control our spending and begin a foundation for the Antichrist to control our spending? ... we don't know, BUT GOD DOES
